Chief, Records Management Staff

Weekly Report for Week Ending 1 October 1958

1. Contributions

a. Tangible

- (1) Approved 5 new and revised forms; obsoleted three forms.
- (2) Completed a Shelf File Installation for the Office of Logistics which will reduce floor space requirements about 35%, and release \$4500 in filing equipment (includes 8 safes).
- (3) Completed with the Office of Communications a proposal for the use of a Rotary Card File to house approximately 7500 items. This will eliminate the need for the present equipment valued at \$1350 and provide a more efficient filing system.
- (4) The Records Center received 110 cu. ft. of inactive records from 6 offices; 754 cu. ft. of records accumulated for destruction.
- (5) Completed with ONS a revised Vital Material Deposit Schedule and through it eliminated 3 cu. ft. of records from the Repository.

b. Intangible

- (1) Designed a form for the Office of Security which will replace 2 forms and reduce by 50% the time required by typists to complete the former ones.
- (2) In collaboration with [REDACTED] declassified a form so that it could be printed outside the Agency, thereby permitting it to be made into a 3 part snap-out set which wasn't possible in the Agency.
